

## Entertainment & Digital Media

### At a Glance

#### Decades of Experience

Our entertainment and digital media professionals offer decades of experience serving clients in LA, Austin, Dallas, and other major entertainment and tech hubs throughout the country.

#### Expertise From Coast to Coast

Our team represents a wide variety of clients including high-profile production companies and A-List talent across the United States.

#### Revolutionary Representation

From startups developing cutting-edge platforms and next-generation entertainment to leaders in streaming and online games, we help clients develop, monetize, launch, and protect all types of digital media and commercial content and technologies.

### Overview

Munck Wilson Mandala has one of the strongest entertainment and media practices in the industry. We are well-known for our work with clients who bring innovation and creativity to their art, and we use our combined talents to help them succeed in a multitude of entertainment and digital media endeavors. With more than a century of combined experience, MWM represents clients ranging from successful solo creators to global media studios in complex intellectual property, business, and litigation matters.
