Cross Industry Experience

We represent clients in every industry from real estate to oil and gas, life sciences to hospitality, telecommunications to health care. We are standing by to help you with your next big deal.

Overview

Munck Wilson Mandala attorneys have represented both buyers and sellers in a wide variety of business transactions, including mergers, asset purchases, stock purchases, strategic alliances and joint ventures, corporate restructurings, exchange offers, private equity investments, going private transactions and hostile and friendly tender offers. We are known for handling extremely complex cases and our attorneys work diligently to meet your deadlines and closing requirements, regardless of the timeline.

We have built an impressive M&A practice with veteran attorneys who are well known for their responsive and comprehensive attention to details in transactions as high as 10 figures. We assist you each step of the way, from the negotiation, structuring, due diligence, and documentation of a deal, through the closing and post-transaction integration of acquired businesses.

Our attorneys have advised clients in M&A transactions ranging in size from relatively modest transactions for family-owned businesses and early-stage companies to complex matters involving billions of dollars for large, multinational public corporations.

Our M&A experience spans most major industries, and our attorneys provide you experienced counsel in finance, tax, real estate, employment, intellectual property, antitrust and litigation matters. We also play a major role in your acquisition financing activities, from bank or other institutional lending to venture capital financing to private and public offerings of debt and equity securities.

In 2021, Munck Wilson represented Plano-based video-streaming service Resi Media in its \$150M sale to PushPay. Munck Wilson lawyers also advised Plano's Tyler Technologies in its \$84M acquisition of cloud-based software provider VendEngine.
