Overview

Real Estate matters are complicated. Both residential and commercial transactions can lead to disputes between parties. We meet our clients' legal needs and provide the support and experience required for success in various real estate disputes, including high-stakes litigation for casino developers, shopping center owners, multi-use developments, mortgage companies, and big-box retailers.

MWM's real estate litigation team is highly knowledgeable in handling conflicts ranging from title and contract disputes to land use, breach of contract and construction law. We work closely with our clients to implement effective strategies and ensure their objectives are met.

Our Real Estate lawyers can assist you with the following issues:

- Title Disputes
- Contract Disputes
- Land use Disputes
- Landlord-Tenant

- Breach of Contract
- Environmental Real Estate Litigation
- Construction Law
- Lease Disputes
- Purchase Agreements

This list is not complete. Any type of residential or commercial dispute can be handled by our team of experienced and accomplished real estate litigators. At MWM, we will fight for the best outcome for your case.
